with Chef & Author  
Martha Foose

Tuesday, May 20 @ 7pm Family-Style Seating

Gifted chef and storyteller Martha Foose grew up in the Mississippi Delta, where she dreamed of traveling to more exotic places. Food turned out to be her ticket around the country and globe, and eventually back to her family plantation in Tchula, Mississippi. It was there she realized her passion for traditional Southern cuisine.

Martha's new book *Screen Doors and Sweet Tea* is a collection of recipes and tales that celebrate the color, characters and cookery of the Delta region.

Join us to welcome Martha for a Roadhouse dinner featuring dishes from her book, specially selected by Martha and Chef Alex Young for this flavorful event.
