

ZINGERMAN'S ROADHOUSE SIGNATURE SAUCES \$8.00 a pint

Eastern North Carolina Sauce

Our pit-smoked pork is finished with this cider vinegar based sauce, so it boasts a tangy bite. But there is nothing wrong with adding a little extra of this traditional flavor to add even more oomph to your sandwich!

Red Rage Sauce

Don't let the name scare you! Many of our friends enjoy the Red Rage with its balance of sweet, spicy and zesty flavors. This red tomato based BBQ sauce is a favorite Memphis tradition.

South Carolina Mustard Sauce

An amazing alternative for anyone who typically enjoys the sweet and spicy flavors of a red sauce, but wants to try something a little different. Made with yellow mustard, this "Carolina Gold" sauce is fantastic on our pulled pork.

Can't decide? It never hurts to try more than one! They are all fantastic in their own way.
