Texas BBQ Brisket

Preheat oven to 350°F. Place meat in an oven-safe dish, and add a splash of water. Cover baking dish lightly with a lid or aluminum foil and reheat until the meat simmers for about 5 minutes and the internal temperature reaches 165°F (about 15-25 minutes).

Burnt Ends Mac

Reheat mac portion in a saucepan over medium heat. Add a bit of milk and stir often until warm throughout, then top with pecan salad before serving (about 8-10 minutes).
